STREETS

Tom is to have surgery for his knee on Sept.3. Joe Kahl is able to do co-op throughout the school year. Council felt it would be a good idea, not sure when Tom will return and he will most likely still need help.

Fred Hayes came down and looked at the drain on the back hill. He has determined that there is a big gap in the concrete. Allen Whyte is to get 3 quotes to have this repaired. City will be using liquid fuels money for this repair.
